INSTRUCTIONS AND RULES:

1. You can choose to load a previous game or start a new game.
1. If a new game is started, there is a toss. If you win the toss, you have to choose whether you want to bat or bowl.
2. You have to choose how many players you want on your team, the opponent's team and how many overs in an innings.
3. You have to choose a number between 1 and 6 when it's your turn.
4. If your decision and your opponents decision are same, then the player who is batting is out.
5. The team that scores more during their batting is declared as the WINNER.
6. If both teams score same, then the result will be a draw.
